Couples Massage Annandale VA

Custom Therapeutic Massage: - Come to Serendipity Wellness Studio, in Burke Virginia, to discover why our massage is like no other. We create each custom massage based on the individuality of our client. You tell us what you want: Total relaxation? Work out the kinks from sitting at the computer all day? You got it!

Each treatment is a combination of Swedish and deep tissue and other modalities, customized to your particular needs and preferences. Let your body completely relax into a different world, enjoy the heated table, the comforting ambiance, warming touches to ease tense muscles, aromatherapy, and the "ah" of hot towels. You'll want to come back again and again!

Traditional Thai Massage Come:- to Serendipity Wellness Studio, located in Burke, VA, for the most relaxing Traditional Thai Massage in Northern Virginia. This massage is a unique experience that incorporates stretching, palming, and pressure points over the entire body, providing both physical and psychological benefits. Using their palms, fingers, elbows, knees and feet, the therapist applies acupressure to the body's ten major energy channels or "Sen" lines. This technique is designed

to release blocked energy and promote relaxation.

Pregnancy Massage the: - gentle, non-invasive approach of pregnancy massage can ease your discomfort and help prepare your body for labor. Massage during pregnancy can also bring back a sense of body-mind integration, putting you into a state of relaxation and calm acceptance of your continually evolving physical form. This soothing massage offers a natural, drug-free method of relieving the aches and pains of pregnancy. Visit Serendipity Wellness Studio in Burke, VA and discover the relaxation this massage has to offer.

Reflexology: - Foot Reflexology massage is an ancient healing art designed to treat the body, mind and spirit.

Applying specific techniques to the feet aids the body in self-healing. An efficient way to calm and relax, stimulate circulation and energize the whole body. Use it by itself or in combination with any massage for an unforgetable experience. Serendipity Wellness Studio offers one of the best Reflexology massages in the Northern Virginia area.
